This year we are requesting a contribution from the City to add to the monies we can offer to students. The funds will be given to students who have a qualified grade point average and are attending a 4-year or a 2-year college program, or are pursuing a technical certification. This will provide residents of Hallandale Beach an extra edge toward their successful adult lives.

Directors

Bart Bruni
Gerald Dean
Lowell Lampkin
Jordan Sayfie
Marilyn Santiago

None of the requested funds will be used for administrative purposes.

We have not requested this type of donation from the City for several years, but are doing so this year to enable us to provide funding to the increased numbers of Hallandale Beach residents in this age category.

Through an endowment plan, the Hallandale Scholarship Fund will continue to provide scholarship assistance to Hallandale Beach residents for many more years to come.

Please provide several possible dates and times to have a representative scheduled to speak on this matter. Thank you.
